

Sew Fun Cruise

2008 REVIEW

Round Bobbin's "Sew Fun Cruise" participants departed from Ft. Lauderdale on May 10. This eight day cruise featured sewing, quilting, shore tours and many fun activities aboard Carnival's newest ship, Liberty. Kaye Wood, Betty Cotton and Bernadette Coppola instructed classes during our days at sea between the destinations of Cozumel Mexico, Costa Rica, the port of Colon in Panama and our return to Ft. Lauderdale.

Janome America, Inc. provided Memory Craft 6600 sewing machines for everyone to use. Scott Lapham and Suzanne Walsh of Citrus Sew & Vac were on hand to assist with the set-up and operation of the machines. They also opened the classroom in the evenings for anyone who needed extra time to finish their project or for those who just wanted to sew for the fun of it!

The week went by quickly and ended with a farewell party in Liberty's Hot & Cool Disco. Dozens of prizes were awarded including products from the cruise sponsors, instructors and Citrus Sew & Vac.

We are currently researching our next cruise destination and will announce details when they are available. Thank you to everyone who sailed with us and we hope to see you again on the next Sew Fun Cruise! 🍷
